Free Supplier Listing

I want a free listing at www.TrueNorthLSSC.com that promotes my local/sustainable products to LEED and other green building projects. The following products qualify as either:
 (a) "Local Materials" – products that are extracted/harvested/recovered/salvaged, manufactured, and shipped within a 500 mile radius of Minneapolis, MN or
 (b) "FSC Certified Materials" – you must be FSC-COC certified for the listed products (include certification number above).
 Insert product information below and check all categories that apply – see *Working Definitions below.

Local/Sustainable Supplier Consortium (LSSC)

Mission

To promote local materials and FSC certified materials in LEED and other green building and remodeling projects.

Goals

- Expand listed suppliers' access to green building and remodeling projects
- Increase access to local materials and FSC certified materials by architects and interior designers, builders and remodelers, and consumers
- Support our regional economy and green building and remodeling

Organization

The True North Local/Sustainable Supplier Consortium (LSSC) is a service that was organized in 2009 by suppliers of materials for the building and remodeling industry. The service encompasses suppliers – of both forest and non-forest materials – throughout the Upper Midwest within a 500 miles radius of Minneapolis.
